PTE Academic UKVI

PTE Academic UKVI is a Secure English Language Test (SELT) that is approved by the UK Home Office for all UK visas that require a 4 skill language test. It is a fast, fair and convenient choice for anyone who wishes to work, study or come to live in the UK.

There is no difference between PTE Academic and PTE Academic UKVI in terms of test content and format. Instead, there are minor differences in the registration process to comply with UK Home Office requirements.

You have to take PTE Academic UKVI if:

- You want to study **below** degree level (e.g. a Foundation program or professional English course)
- Your chosen institution is **not** a Tier 4 sponsor*

You can take [PTE Academic](#) instead if:

- You want to study at degree level or above
- Your chosen institution is a Tier 4 sponsor*

*Check if your chosen institution is on the [UK Government's list of Tier 4 Sponsors](#)

Please confirm the required test with your chosen institution.

To find out more about UK visa English language requirements please visit our [UK visa](#) page or the [gov.uk](#) website.

PTE Academic UKVI is computer-based and computer-scored, and test sessions can be scheduled up to 24 hours in advance, 365 days a year. The test assesses the four skills of speaking, listening, reading and writing. It lasts approximately 3 hours and provides a score based on the GSE (Global Scale of English).
